Sir:

A request is hereby made for issuance of a Certificate of Correction to U.S. Patent
No. 7,376,608. A clerical error which occurred when formal drawings were submitted with
payment of the issue fee resulted in published Figure 3 being labeled as and re-published as

RECEIVED-USPTO

Figure 7. The informal drawings as filed with the application originally were correct as to both Figures 3 and 7. Therefore, no new matter is being added to the application by this request.

A Certificate of Correction form PTO/SB/44 is attached to this request, indicating that Figure 7 of the published application has been replaced by the attached Figure 7. The attached Figure 7 corresponds to Figure 7 of the application as filed. The Certificate of Correction also identifies and corrects another typographic error in the specification.

The fee of \$100.00 set forth in 37 CFR §1.20(a) accompanies this request. To the extent additional fees are required, please charge the fees due in connection with the filing of this paper to Deposit Account No. 02-1010 (37168/82320) and please credit any excess fees to such deposit account.

Respectfully submitted,

Bobby B. Gillenwater
